# Ethnic South Afrika FEELING

Client: Stuart J. Meyer  
Living Room

Color proposal for Living room with strong character and high contrast from the light color of the kitchen, but still an embrace with the nature: wood and natural elements and plants, the wall are not going to be painted but a representative Picture will define the room with an ethnic strong dominant style. The couch will have also a full of character brownish color, warm and energetic for giving the room a dynamic feeling, alive and awake. The table has a strong Iron Leg, also in contrast with the soft colors given, this remember your character and as well the chairs are in a dark tone (Green or Blue)
